145 Spring Valley Road
Paramus, NJ 07652
paramus.k12.nj.us

IMPORTANT NOTIFICATION: ACTION REQUIRED

Attention: All current 4th and 8th Grade Parents and Guardians

The Paramus Public School system is highly regarded and a sought-after place for education. To uphold the district's mission and Board Policy, which has been supported by Paramus taxpayers, our educational services are available solely to children who live in Paramus.

To ensure the eligibility of all enrolled students, parents/guardians of all current 4th and/or 8th-grade students are required to verify their residency. This is a mandatory requirement, and failure to submit the necessary documentation will lead to the student's disenrollment.

To verify residency, all parents/guardians of currently enrolled 4th and/or 8th-grade students must provide required documentation. Failure to comply will result in student disenrollment.

Required documents: [Please click this link](#). The original documents must be presented along with a copy for the district's records. We will be unable to make copies for you, so please be prepared. In addition, a photo ID is required for identification purposes.

Residency verification will take place at the Paramus High School, 99 E. Century Road (enter through the main entrance):

Wednesday, 05/07/25, 3:30-6:30 pm

Thursday, 05/08/25, 3:30-6:30 pm

Tuesday, 05/13/25, 4:40-8:00 pm

These dates and times are for district residency confirmation; no appointment is necessary. We will not be accepting registrations during the above dates/times.

If you are unable to attend any of the times listed above, you will be required to make an appointment during school hours to complete this verification. Deadline for verifications is May 30, 2025.

Questions regarding the residency confirmation process can be emailed to registration@paramusschools.org

Thank you for your support and cooperation.

Brooke Bartley
School Business Administrator/Board Secretary
