## PARENT HANDBOOK

Welcome to Parkway School. We are looking forward to a productive school year filled with lots of learning and fun. The following handbook of information may help to answer the numerous questions you may have regarding our school. Please read this information and cooperate with us by following the policies and procedures. Please keep this handbook to refer to throughout the school year.

### ARRIVAL

Children are permitted to go to their classrooms at 8:45 a.m. However, they **should not arrive earlier than 8:45 a.m.** since no supervision is provided until that time.

If your child is late, send a note to the teacher explaining the reason for the tardiness and add a note online in Genesis attendance. Upon arrival, your child should come in through the front doors and check in with the Security Guard or Front Office to take a late pass to class.

If you are driving your child to school, please follow what has become a safe and efficient procedure:

#### Students

##### **Bus:**

- Students will enter the building supervised by a teacher or an aide.

##### **Walker/Car Line:**

- When bringing your child to school by car, follow the traffic pattern down and inside the cones to the drop-off area. Pull up as far as you can in the drop-off zone. Please do not leave the car yourself. If your child needs more assistance, please park in the lot, and walk your child to the door.
- Staff members will be stationed out back to ensure a safe arrival for all students.

## ATTENDANCE

All schools within our district now require parents/guardians to report student absences through the Genesis Parent Portal. Please report your student's absence via the Genesis Parent Portal (Attendance / Notify Office) prior to 8:45 am. After you submit to the office, you can check to confirm that your notes are listed in the next section below entitled "Submitted Notifications."

Here are the procedures for [Submitting Attendance](#).

Parents/caregivers are strongly encouraged to monitor their children for signs of illness every day as they are the front line for assessing illness in their children. Students who are sick should not attend school.

### **The main reasons for keeping children home are:**

- They are too sick to be comfortable at school.
- They are too sick to participate in educational activities.
- They might spread a contagious disease to others.
- They are not able to manage symptoms with self-care. For example, a student who is unable to wipe/blow their own nose, or cover their coughs presents a risk of spreading germs to other students and staff.

### **As a rule of thumb, children should stay home if they have:**

- A fever of 100.0 degrees Fahrenheit or higher
- Vomiting or Nausea
- Diarrhea
- Frequent coughing
- Copious, persistent runny nose/nasal discharge
- Redness, swelling and/or discharge from eyes
- Persistent pain (ear, stomach, etc.)
- A widespread rash

**For the protection of the other students and staff**, your child may be sent home if any of these symptoms, conditions, or illnesses present during the school day. [Click here for additional guidelines.](#)

Parents should report their child's absence and symptoms in the notes section of the Genesis attendance submittal. Parents may also consult the school nurse in deciding to keep your child home, by calling the nurse's line at **(201) 261-7800 x 8516**.

Paramus Public Schools has an attendance policy to encourage good attendance. An excess of twenty absences in one school year can lead to student retention. Parents are strongly advised not to remove students from school for vacations or other

inappropriate reasons. Since there are three full weeks of vacation during the school year, parents are encouraged to plan vacations only during the dates listed in the district calendar. In addition, it is also the policy of the Board of Education that four late arrivals to school equal one absence. Please refer to Board of Education Policy #5113 for procedures regarding mandatory withdrawal from school for unexcused absences that exceed 10 (ten) consecutive school days and further information on attendance policies

We are excited to introduce our new [School Health Services Google Site](#), a resource designed to provide a single location for parents/caregivers to access relevant information on various health-related topics such as sick days, immunizations, food allergies, health plans, disease education, physicals, screenings, and more.

## **ABSENCES**

If your child is absent, you must report the absence in our online Genesis system (see link to instructions above). Please note your child's illness/symptoms or other reasons for absence. Planned absences can be reported to the system ahead of time as well. If we do not hear from you, the nurse or other school representative will call you to determine the nature of your child's absence. If we cannot reach you, we will call your emergency contacts. If no one can be reached, we are required to contact the authorities. Upon your child's return to school, a note must be sent explaining the reason for the absence.

You are encouraged to keep sick children at home until they are well enough to participate in a full school day. Before returning to school, The Board procedure requires a child to be fever-free for 24 hours without fever-reducing medication. Once they return to school, children are expected to participate in recess and PE, unless the doctor indicates that restrictions are advised. Please discuss any concerns with the school nurse. Work can be sent home when necessary. Please call or write a note to request this.

Children who contract an illness or injury that requires absence for an extended period (minimum of two weeks) may be eligible for home instruction. Parents are requested to contact the principal or the Department of Student Personnel Services as soon as they know the need.

## **BIRTHDAY**

Students may come to the office for a birthday pencil and a handshake from the principal.

## BUS PROTOCOL

The Board of Education will notify those students who are eligible for bus transportation. Only those students assigned to a specific bus number may ride the buses to and from school. Due to insurance reasons, no other students will be permitted to ride the buses.

For the safety and welfare of students and others, it is necessary to:

1. Be sure your child is on time and does not miss the bus.
2. Teach and remind your child to enter and leave the bus in an orderly manner.
3. Teach and remind your child to remain seated with a seat belt fastened while the bus is in motion.
4. Teach and remind your child to avoid shouting or singing or distracting the driver in any way.
5. Teach and remind your child to keep their head, arms, and hands inside the bus at all times.
6. Teach and remind your child that appropriate student behavior also applies on the bus.

Students will face disciplinary consequences as listed under the Code of Conduct and be subject to removal from the bus if inappropriate conduct occurs.

- Students taking buses home will be brought directly to the bus loop by their teachers. Families eligible for bus service who opt to pick up by car are assigned to a dismissal door.
- Parents must meet their children at the bus stop or make arrangements to have a responsible adult meet their children at the bus stop.
- Please remind your child of the importance of being seated and buckled in the seat belt. It is the law in New Jersey.
- Proper bus etiquette is expected at all times to ensure your child's safety and make travel more enjoyable for all.
- Kindly remind your youngster that he or she must:
  - *Buckle his/her safety belt immediately upon boarding the bus and keep it buckled.*
  - *Remain seated at all times.*
  - *Keep hands, feet, and objects to oneself.*
  - *Use appropriate language.*
  - *Use a quiet voice and speak with friends nearby.*
  - *Watch for the stop.*
  - *Get on and off the bus carefully.*
  - *Keep food/beverage items in backpacks/lunch boxes. **There is absolutely no eating or drinking on the bus.***

**Only students who are assigned busing may ride the bus. Students can only ride the bus to which he/she is assigned. Walkers may not be transported by bus.**

*Video and/or Audio Monitoring Devices Are Used On School Owned and Contracted Vehicles and May Be Monitored At Any Time.*

# **CODE OF CONDUCT**

## **Parkway Elementary School Code of Conduct**

**Parkway students have rights and responsibilities.  
As a Parkway student:**

**I have the right to be respected; therefore, I have the responsibility to be respectful of others.**

- I will accept and include others who are different from me.
- I will listen while others are speaking.
- I will use kind words so that I don't hurt the feelings of others.
- I will respect the ideas and opinions of others.

**I have the right to feel safe; therefore, I have the responsibility to be safe and keep others safe.**

- I will follow playground and lunchroom rules.
- I will keep my hands and feet to myself.
- I will walk in the hallways at all times.
- I will help make Parkway a bully-free school.

**I have the right to learn; therefore, I have the responsibility to work peacefully.**

- I will follow classroom rules.
- I will work quietly when working independently.
- I will work cooperatively in groups.

**I have the right to be successful in school; therefore, I have the responsibility to be prepared and do my personal best.**

- I will complete my assignments on time.
- I will obey all Parkway teachers and adult helpers.

**I have the right to be a citizen of the Parkway community; therefore, I have the responsibility to treat the building and grounds with respect.**

## COMMUNICATION

**Communication between home and school is vital to your child's growth and success.**

Several different forms of communiqués will be part of our routine.

- Parkway School will regularly update the community utilizing the school messaging system and email announcements.
- Teachers will update you on classroom happenings through class correspondences.
- Information is also provided on our website, [www.paramus.k12.nj.us](http://www.paramus.k12.nj.us). Please click on the Parkway tab.
- Class parents will contact you from time to time regarding special information or school emergencies.

You can be well informed by making sure your contact information is current. Please let us know whenever you have a change of address, home or work phone numbers, doctor's numbers, or emergency contact persons.

To contact a teacher, write a note, send an email, or call to leave a message. Every effort will be made to respond in a timely manner. Please keep in mind that teachers do not have the ability to check their email consistently throughout the day so if you need to contact the school in an emergency, please call the main office at school.

When sending money to school, please seal it in an envelope and label it with the child's name, event, teacher's name, and the amount enclosed.

## CONFERENCES

Parent conferences are held in the fall and in the spring. Teachers will arrange their conference schedules. Additional conferences may be arranged throughout the year by teachers or parents when needed.

## DISMISSAL

### K-4 Students

Walkers and children attending the aftercare program are dismissed first.

Families will be assigned doors to meet their children.

- 300 Wing Door - A to K (last name initial)
- 200 Wing Door - L to Z (last name initial)

When picking up your child at school, you must park your vehicle and walk up to the appropriate door to collect your child.

**Staff members supervise all dismissals.**

Our buses usually arrive at 3:00 p.m. Children are led to their bus lines by classroom teachers. If a bus arrives at school later than 3:30 p.m., the school office will contact you. Phone numbers listed in Genesis will be called, so please ensure your information is correct in the system.

In August, each family will complete a dismissal declaration indicating their child's daily dismissal schedule. Please notify the office in writing should your dismissal declaration statement change during the year.

To ensure all students' safety and smooth dismissal, **we cannot accommodate occasional changes for convenience. Therefore, it is the parents' responsibility to provide transportation for activities or play dates after students have returned home from school.**

All of the above procedures involve cooperation between home and school. We are sure you understand that the safety and well-being of the children are our utmost concern.

Emergency early dismissals occur infrequently. Therefore, we *must* have a phone number on your emergency contact where you can be reached should this occur.

### Preschool:

- Walkers are dismissed at the side door by the parking lot.
- Bus students are escorted to the bus by a teacher or an aide.

## DISMISSAL DECLARATION

- Each parent is required to make a dismissal declaration now for the entire year that can only be changed because of a permanent change in life circumstances. We regret that we cannot accommodate occasional changes for convenience. Please do not email the teacher with any changes. If you need to change a dismissal for a doctor's appointment, please send in a handwritten note to your child's teacher and/or add an early dismissal note into Genesis Attendance.
- Please complete a separate dismissal declaration form for each child at Parkway School. Dismissal declarations are now completed and submitted electronically through the Parent Portal in Genesis under the Forms tab. It is very important that you complete this form prior to the first day of school. Without it there is no way for us to know how your child is to be dismissed from school.
- If your child is enrolled in the Champions aftercare for only part of the week, please indicate the specific days on the dismissal declaration. The other days should note either walker or bus (if eligible).

## DRESS CODE

Students should wear appropriate athletic footwear on days they have physical education class. Please remember that our students go outside to play at recess time, so dress them according to weather conditions. Layers are great in the winter months! **No flip-flops, please!** These are unsafe when running and playing both in PE classes and outside. However, sandals with straps that secure them to the foot may be worn on non-PE class days.

## EMERGENCY CLOSINGS

If school has been canceled due to weather conditions parents may obtain this information via Paramus District Website ([www.paramus.k12.nj.us](http://www.paramus.k12.nj.us)) In addition, families will receive an automated message from the School Messenger system. The police request that you DO NOT call them.

## EDUCATIONAL FIELD TRIPS

Educational field trips are a valuable part of our school program and are encouraged. Teachers acting in accordance with a planned outline carefully schedule trips so as to gain maximum educational opportunities for their students. Permission slips are sent home including all information relative to the trip, including the cost. These must be signed and sent back to school before the student is permitted to participate in the trip. Verbal permission is not acceptable; we are required to have written parental consent. Checks for field trips should be made payable to the *Paramus Board of Education*. Monies for field trips are not refundable or transferable.

*\*Parent chaperones are not permitted to lend money to or make purchases for any student.*

Please defer to the classroom teachers regarding visiting the gift shop on the premises of the field trip. If this is not in the field trip itinerary, then NO student will be permitted to visit the gift shop.

We are not permitted to give food, drinks, gum, etc. to any student. This is in accordance with District food allergy policy and procedures.

## ELECTRONIC DEVICES

The District issues a chromebook to each student for use with school-related assignments. Students are responsible for taking good care of their chromebooks. Teachers will let students/families know if chromebooks should stay in school, remain at home, or be brought back and forth to school each day.

Electronic devices (cell phones, iPods, iPads, game devices, etc.) are a distraction in the classroom, at lunch, and on the bus. **Keep these expensive devices at home for safekeeping.**

## EMERGENCY INFORMATION

Emergency forms are a vital resource when a youngster becomes ill or injured during the school day. The listing of home and business phone numbers as well as the name and number of a relative, friend, or neighbor must be completed early in the school year. Please notify the school whenever a change of information should occur.

Please make it a priority to verify/update all information on your child's Emergency Form via the Genesis Parent Portal on or before the first day of school.

## HOMEWORK

The Paramus Board of Education recognizes homework as an integral part of the instructional process. Homework should provide for the reinforcement and extension of learning experiences that take place in the classroom. Teachers, students, and parents each play an important part in ensuring that homework fulfills this purpose.

The nature and amount of homework will vary by subject, by grade level, and by the student. If it is to serve a worthwhile purpose, homework must be assigned with some regularity, with due consideration to the individual needs of students, and with provision for reasonably prompt feedback to the student on work completed.

### Guidelines:

- Homework is given regularly
- Reinforces skills and concepts
- Includes independent reading every night
- May involve exploring new or related subject matter
- Evaluates student responses
- May at times require parental guidance/assistance (parents do not do the homework)
- Parents review and check homework for completion

### Time Allotments:

*Research has shown the most beneficial activity to foster student success is daily independent reading. Teachers will assign independent "Just Right" reading as homework.*

### **The time allotments listed below are in addition to the nightly reading.**

- Kindergarten: occasionally, 10-20 minutes + nightly reading
- Grade 1: 20-30 minutes per night + nightly reading
- Grade 2: 30-45 minutes per night + nightly reading
- Grade 3 & 4: 45-60 minutes per night + nightly reading

If an individual student's homework time consistently exceeds these guidelines, it is recommended that the parent notify the teacher.

Homework can be expected Monday through Thursday. Weekend and holiday assignments will be given at the discretion of the teacher.

## LOST ARTICLES

Students are advised that valuables should not be brought to school. Parents are encouraged to place their child's name in all belongings brought to school. Clothing that is lost may usually be found in the lost and found area located outside the nurse's office. Articles that have not been claimed will be displayed during a PTA meeting or at the end of the year. In the event that your child has lost an article on a school bus, please contact the bus contractor directly.

## THE SCHOOL NURSE

A full-time certified nurse is assigned to Parkway to oversee the health program. The nurse administers primary first-aid measures to treat minor injuries or illnesses.

### **Her other functions include:**

- Weighing and measuring of all students
- Screening for vision and hearing
- Screening children age 10 and older for scoliosis
- Maintaining health records
- Promoting health practices at school
- Participating in the child study team and the pupil assistance committee
- Participating in the school safety committee

### **The school nurse will contact you if:**

- Your child is too ill to remain in school
- Your child is injured and needs medical attention
- The screening process indicated a need for you to obtain further help (i.e. eyeglasses)
- She and the teacher think that your child requires attention for other health reasons

### **Other important information**

- New students, kindergarteners, and all third graders are required by the district to have a complete physical examination.

## MEDICATION IN SCHOOL

The New Jersey State law mandates specific procedures to the administration of any medication. Please read the following procedure from our Superintendent of Schools so that you are familiar with the regulations. Samples of the forms are available on the [School Health Services Family Handbook](#) site.

### DEPARTMENT OF STUDENT PERSONNEL SERVICES PROCEDURE FOR ADMINISTERING MEDICATION AT SCHOOL

When requests are made by parents to have medication administered to their child in school, the following procedure should be followed:

- All medications to be administered in school should be ordered in writing by the family physician and addressed to the school nurse. Dosage, time schedule and purpose of medication should also be included.
- Also required is written authorization from the parent to be presented to the school nurse.
- All medication must be in original containers and must be properly labeled by the registered pharmacist who dispensed the prescription (medication in envelopes, wrapped in paper, or in unlabeled bottles are not accepted).
- The medication will be stored in a locked cabinet in the Clinic by the nurse.
- This program is approved for essential medications only, i.e., antibiotics, tranquilizers, anticonvulsants, asthmatic medication, eye drops, and the like.

If your child needs medication during school hours, please see the school nurse.

## FOOD ALLERGIES

**Paramus Elementary schools are peanut and nut-free facilities.**

Please check the labels of all the food you send in with your child to ensure there are no peanut or nut products sent to school.

## LUNCH

Students have two options; order through [Pomptonian Food Service](#) or bring lunch from home. Homemade lunches should be peanut and nut-free.

It is important that students with food allergies pre-order off the appropriate allergy-aware menu so they receive a meal that is safe. For example, bagels can be produced in a facility with sesame and therefore may contain sesame.

The pre-order allergy-aware menus will also be posted with the traditional lunch menus, on the District's food service website:

<https://paramus.fdmealplanner.com/FOOD-ALLERGIES>.

## LUNCHTIME

The elementary lunchtime is from 12:00 noon until 12:45 p.m. Children leaving the building for lunch must be signed out and back in at the main office. With the exception of days with severe weather conditions, children are routinely sent outdoors during lunch recess. Please dress your child(ren) appropriately.

## WATER BOTTLES AND SNACK BREAK

Children will be allowed to enjoy a quick, healthy snack during the day.

- Snacks should be easy to open and portable.
- We urge parents to ensure that children do not leave their snacks at home. This will help to minimize the number of visitors from the outside.
- Children are able to fill their water bottles at our filtrated & chilled filling stations.

## PLAYGROUND AND OUTDOORS

Students will use playground equipment with hand washing before and after use.

We will go outside most days, so please send children with appropriate clothing for the day. Layers are especially helpful in the winter months.

## **PUBLICITY**

From time to time during the school year, positive publicity appears in district publications, cable TV shows, and in local newspapers and internet news services. You will find a release form on your Genesis Parent Portal. Please fill this out immediately indicating whether your child's photo can be used when school events are submitted to the media for school-related publicity.

## **PUPIL ACCIDENT INSURANCE**

The District's student accident insurance is provided by the Board of Education on an excess basis. Although the Board of Education provides insurance, you must first file a claim with your own insurance. The District's insurance will cover 80% of the remaining balance.

## **REGISTRATION OF NEW STUDENTS/ RE-REGISTRATION OF EXISTING STUDENTS**

Registration of all early childhood and kindergarten children takes place in the spring of each year. Board of Education policy specifies that a child must attain the age of five by October 1<sup>st</sup> of the school year in which he or she enters kindergarten. At the time of registration, parents must furnish evidence of the date of birth, completed immunization, physical examination reports, and all proofs of residency required by the district. Refer to the district's website for proof-of-residency and registration guidelines: [www.paramus.k12.nj.us](http://www.paramus.k12.nj.us). The district requires re-registration, including proof of residency, for all students entering Kindergarten, 5th grade, and 9<sup>th</sup> grade. Again, refer to the district's website for residency and registration guidelines: [www.paramus.k12.nj.us](http://www.paramus.k12.nj.us).

## **RELIGIOUS HOLIDAYS**

Students are excused from school to observe state-listed holidays. Parents must send a note prior to the holiday to notify the school of the absence. Teachers will not schedule tests or introduce new work during these approved holidays. The student's attendance record will not be affected by excused religious absences. You may obtain a copy of the New Jersey State Department of Education Religious Holidays calendar by contacting the school office.

## **REPORT CARDS**

Progress reports for students in Kindergarten through 4th grade are issued three times a year. Report cards are now 'paperless' and are accessed by parents via their Genesis Parent Portal. Grading benchmarks can be accessed on our website under "Standards-Based Report Cards."

Parent conferences are held in the fall and in the spring. The teacher will arrange for conferences with parents; the first one is generally scheduled during the months of November/December. A conference will also be scheduled in the spring – typically in May/June. Should you feel the need to meet with a teacher sooner, please contact him/her directly.

## **SCHOOL HOURS**

**Full Day General Ed: 8:45 a.m. - 3:00 p.m.**

**Early Dismissal: 8:45 a.m. - 1:10 p.m.**

**Lunch / Recess: 12:00 p.m. - 12:45 p.m.**

**K, 1 & 3 grade: lunch 12:00 p.m. - recess 12:20 p.m.- 12:45 p.m.**

**2 & 4 grade: recess 12:00 p.m. - lunch 12:20 p.m. - 12:45 p.m.**

## **VENTILATION AND AIR FILTRATION**

In addition to our HVAC system which provides continuous airflow into classrooms, each room is also equipped with a portable air purifier. HVAC provides AC in the warm months and prevents extreme heat conditions.

## **SCHOOL SAFETY TEAM**

The Parkway School Safety Team oversees the Week of Respect Activities and all aspects of the school climate. They are also responsible for investigating reports of alleged acts of HIB and reporting findings to the Superintendent of Schools.

## SECURITY & SAFETY DRILLS

An Armed Security Guard is on site each day. School safety officers will continue to work in the schools to ensure the safety of our students and staff.

Schools will continue to conduct required fire and safety & emergency drills throughout the school year. Families will be notified by email when a safety drill is conducted.

## VISITORS

A safe school environment is a secure school environment. We have a security guard on duty during school hours. All visitors must bring their license and sign in for pre-existing appointments. Visitors will not be allowed in the building unless they have an appointment.
